

"As Director of the Office of Reserve Affairs and on behalf of the serving personnel of Óglaigh na hÉireann, please accept our most sincere congratulations on the 60th anniversary of your commissioning as Defence Forces Officers.

You have carried on a long tradition of voluntary reserve service, demonstrated constructive patriotism and provided leadership to your units during a very dynamic period for the State. Your dedication and significant contribution during your service and since is very much appreciated. This is a marvellous opportunity for you to reminisce on your days in service with tales, I am sure, that won't want for telling with the passage of time - Enjoy the day!"

Regards,

Oliver Dwyer

Col
